

Leadership Support Training

Topic 1: Foundations of Positive Classroom Support

- Identifying school-wide priorities
- Securing time, personnel, and resources needed
- Aligning with existing initiatives and frameworks
- Fostering a culture of wellbeing and collective responsibility

Topic 2: Supporting Effective Implementation

- Clearly communicating behavioural and instructional expectations
- Explicitly teaching key practices and strategies
- Providing constructive, strengths based feedback
- Acknowledging and celebrating progress and success

Topic 3: Monitoring Implementation and Continuous Improvement

- Monitoring fidelity of implementation
- Reviewing student outcomes and impact
- Using data to guide continuous improvement
- Differentiating professional learning, coaching, and feedback
